

GETTING TO MATOYA LODGE

Matoya lodge is located 600km west of Lusaka, Zambia and is set amidst pristine wilderness in the grassy, wetland enclaves of the Barotse floodplains. (GPRS Co-ordinates: [-14.460623, 23.161735](#)).

There are three way of accessing the Barotse Floodplains, details of are which are below:

1. SELF-DRIVE:

From Lusaka: Head west towards Mumbwa and through Kafue National Park onto Kaomo. This is the recommended fuel stop. 12km after leaving Kaomo, turn right on the gravel road. This 195km road should take about 4 hours. Upon arrival in Lukulu, turn left at the Santa Maria mission and follow the track down to the harbour to meet the team who will arrange safe parking.

From Livingstone/Katima Mulilo: From Livingstone, head west to Sesheke and join the M10 up to Senanga. If you are entering from Katima, you will join the road here. Head north to Senanga and onto Mongu where you should refuel. Thereafter, head east towards Kaoma turning left at the gravel road to Lukulu 12km before the Puma fuel station in Kaomo. Follow directions from above from this point.

2. CHARTER:

Fly in via private charter from Lanseria, Livingstone or Lusaka to Lukulu Airstrip or join a set date departure.

3. CAR HIRE:

Fly to Lusaka to hire a vehicle and follow road directions from Lusaka as per the SELF DRIVE directions.
